

SUNDAY SCHOOL TAKE HOME PAGE

To parents:

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson.

Being involved and interacting with your child can be very rewarding for both of you.

What we learned:

Today, we learned that the most important way we can be obedient to the information given in the Ten Commandments is to spend time in studying information in the bible and other spiritual books that will help our minds grow, so our behaviors exhibit the principle outlined in the commandments.

Memory Verse:

"Come, let us bow down in worship, let us kneel before the LORD our Maker; for he is our God and we are the people of his pasture, the flock under his care."

Psalms 95:6-7a NIV

Practice this verse several times with your child during the week. This will not only help him or her remember the verse, but it will also help to reinforce what he or she learned during class.

Suggested Parent/Child Activity:

Learn a new song this week and dedicate it to God. Pick a song heard at church or on the radio, contemporary or traditional. Then obtain the lyrics from Google search, etc.) and learn the words together. Practice several times. Explain to your child that it doesn't matter how well either of you sing, but what does matter is that you sing to the Lord. Sing your song several times during the week, and follow it with prayer. These are two great ways you and your child can worship God this week.

Daily Prayer:

Dear Lord, You alone are God, and are worthy to be worshiped and praised. I am so thankful that You are my Father in heaven, and that You care about me. I love You Lord, with all my heart, all of my mind, and all my soul. Amen.

Hope to see you next week at Virtual Sunday School!
